

Community J9 Online

The J9 Initiative

The J9 Domestic Abuse Initiative is named in memory of Janine Mundy, who was killed by her estranged husband while he was on police bail. Janine was the mother of two young boys. The initiative was started by her family and the local police in Cambourne, Cornwall, where she lived and aims to raise awareness of domestic abuse and assist victims to seek the help they so desperately need. Janine used to sign her text messages J9 which is where the initiative gets its name.

We all may come into contact with someone we suspect is a victim of domestic abuse, or a close family member or friend may reveal they are suffering abuse; the training aims to ensure that we are equipped to respond appropriately and effectively.

J9 Online Training Sessions

Working in partnership with Southend, Essex and Thurrock Domestic Abuse Board, Epping Forest District Council lead on the coordinating the delivery of Community J9 training sessions and the J9 initiative is now recognised widely across Essex. J9 training sessions are intended to raise awareness and increase knowledge and understanding of domestic abuse. The training aims to ensure that staff are equipped to respond appropriately and effectively. Where the J9 logo is displayed in a window, it alerts victims that they can obtain information which will help them to access a safe place where there can seek information and the use of a telephone.

Training sessions are currently being delivered online via Zoom and take place on:

Tuesday's at 10am and Thursday's at 2pm
