

Want to change your abusive behaviour?

The Change Project delivers behaviour change programmes to both male and female perpetrators of domestic abuse.

The programme is for individuals who want to stop being abusive towards their (ex) partners and are motivated to change their behaviour.

We accept voluntary, statutory and self-referrals and each referral is assessed individually for suitability.

The Domestic Abuse Perpetrator Programme (DAPP) group programme is 27-weeks and the 1-2-1 programme is 20 weeks.

To make a referral or for more information please visit
